Items to Submit with a Demolition Permit Application

Failure to submit ALL the documents listed below will result in the denial or in a delay in the approval of your permit.

1. Completed application form. The form must be typewritten or **LEGIBLY** printed.
Parts A and C must be completed by the applicant. Part B must be completed by the licensed design professional- see item 6.
Part D shall be completed by the authorized agent of each listed agency to certify that the utilities and services have been cut-off and oil tanks have been removed as required by law.
2. Letter of authorization, signed by owner and notarized, naming applicant as owner's agent for the filing of this application; or,
Legal proof that the applicant is a Principal Officer of the Corporation or an authorized agent.
One of these documents is required **if the applicant is not the owner** of the property.
3. Survey of property- not required for interior demolition.
4. One completed Contractor's Information Form and contractor's certificates of insurance.
5. Three sets of Construction documents, 18×24 inches minimum and 30×42 inches maximum, prepared by a New York State licensed architect or engineer. The construction documents **shall include** a site plan or plot plan and a key plan, as applicable, and specifications and details for the protection of the demolition site and adjacent streets, buildings and properties- **only** required for partial and/or structural demolition.
6. When no construction documents are required, submit signed and notarized specifications of the work on contractor's letter head. The specifications must also include specifications for the protection of the site, street and adjacent properties, removal of foundations (for full demolition) and removal of debris. A temporary gated fence, 8 feet high, must be installed around the premises for entire structure demolition.
7. Proof of electricity and gas cut-off from Con Edison.
8. Proof of vermin extermination- traps to be installed prior to filing this application and removed just before work starts.
9. Manifest of asbestos removal or certification of not-an-asbestos project from a certified asbestos inspection company.
10. Fee: **Cashier's (bank) check or money order only; made payable to the City of Mount Vernon.**
The Demolition Permit fee \$125.00 filing fee, plus \$100.00 per 1,000 square feet of structure area to be demolished. The fee for the letter of completion, \$100.00, shall be paid prior to the release of the permit.

Filing an application does not mean that you can start work. You will incur a legalization of no less than \$1,000.00 if you start work without the permit card conspicuously posted at the work site.

Additional Information

- a- Minor demolition, to create a door or window opening for example, or is part of the work applied for under a building permit application, does not need to be filed under a separate demolition permit application.
- b- **Plumbing and electrical demolition permits** must be filed **separately** by a licensed plumber and electrician.
- c- **You must contact the Building Inspector** listed on your permit to establish a schedule of inspections **before** commencing work. Inspection report form and letter of completion request will be attached to your permit.
- e- **You must apply for a letter of completion** at completion of work to close the permit. A permit cannot be closed if you have not **requested and passed the required inspections** and the inspection report is not signed by the inspector

Contractor Information Form Instructions

No Permit will be released until the Contractor Information Form, correctly completed by all interested parties, the Certificates of Insurance, labeled exactly as specified, and the Westchester Home Improvement License, as applicable, are submitted to the Department of Buildings.

For more information and sample of documents, check our web site at CMVNY.COM/BUILDINGS

1. For work to be performed by a General Contractor:

- Contractor Information Form: Parts A, B, and C must be completed.
Part B must be completed by the General Contractor.
Part C must be completed by the owner, or the applicant whose name appears on the permit application.

- Contractor's Certificates of Insurance:

Original certificates only- no photocopy or facsimile shall be accepted, except that certificates for worker's compensation and disability insurance may be faxed directly to the Department of Buildings by the Worker's Compensation Board. The **Department of Buildings** of the City of Mount Vernon shall be named **certificate holder** on each certificate.

1. Liability insurance certificate, naming the **City of Mount Vernon as additional insured**, and listing the location of the work.
The minimum coverage shall be \$50,000.00 / \$100,000.00 for personal injury, and \$5,000.00 / \$25,000.00 for property damage. No deductible is permitted.
There should be provision for ten days notice for changes in policy or cancellation.
2. Worker's Compensation insurance certificate: form **BP-1, SI-12, U-263, C-105.2** or **GSI-105.2**.
3. Disability insurance certificate: form **DB 120.1** or **DB 155**.
4. A waiver from the Worker's Compensation Board; **CE-200** form, may be submitted in lieu of Worker's Compensation and disability insurances, if:
 - a) The contractor will **not** employ any help at any time to perform work under this permit, or
 - b) the contractor sub-contracts all the work. The contractor shall then submit the name of all the sub-contractors who will be contracted to perform work under this permit and a copy of their Worker's Compensation and disability insurance certificates.

Note that for demolition, the certificates of liability and Worker's Compensation insurance shall specifically certify coverage for demolition work.

- Westchester Home Improvement License certificate for work to be performed on an existing one-, two-, three- and four-family residential building.

2. For work on the home of an owner-occupied one-, two-, three- and four- family residence to be performed by the owner himself/herself:
